This timeless Californian bungalow has undergone a recent makeover, blending classic charm with modern convenience. Featuring three bedrooms, this home boasts a renovated galley-style kitchen equipped with modern appliances together with a generous central loungeroom with high ceilings and direct access to the large covered entertaining deck, overlooking the expansive yard. With an 886 sqm block, there's ample space for outdoor activities and gardening, all within the privacy of a secure yard. Situated in a central location, this property offers a short level stroll to the main street, where you'll find shops, cafes, and amenities together with medical facilities plus local schools at your fingertips. Completing the package is a garage and storage space, providing practical solutions for your storage needs. Don't miss the opportunity to make this beautiful property yours.
