Entering the discussion of the world's finest beach residences, Acqua Noir is a home of rare accomplishment, demonstrating the highest degree of expertise. Inspired by the panorama from Kurnell to Bundeena, the theme of fluidity is sublimated into every element of the home. Sliding glass panels on both sides of the casual living space shift to create access to the wrap-around resort pool, while the formal space with a double-height void is encased in six-metre-high glazing, showcasing the sky and the sea. The upper levels also feature bespoke bedroom suites, a breathtaking master and an 110sqm rooftop terrace. Several highlights include a wine room, a 12-seat cinema and a gym with steam room and sauna to create a uniquely divine home resort.
