Opposite Assumption College in Kilmore, you couldn't get a property in a better position. The house does need work, but it is sizeable and would be a great improver. There are five bedrooms, the master has an ensuite bathroom, four further bedrooms and a family bathroom - the fifth has plenty of room a desk or a small lounge. There are two living/dining rooms, open plan design and beautiful hardwood floors and leadlight windows. The rear yard is huge on this block of just over 1000 sqm. There is plenty of room for your vehicles with a two car carport, a wide driveway and plenty of off-street parking. There is also good shedding in the rear yard as well. Kilmore is still one of the best places to live in the Northern corridor with great infrastructure, affordable prices, a real country community feel and fast access to other areas via the V/Line train and the Hume Freeway.
