**\$2,700,000**

A sunny corner block, East facing, and positioned perfect to capture the sunrise over the Georges River. This original waterfront reserve boasts the potential for someone to capitalise on the generous 682.9sqm approx block of land and built their dream home S.T.C.A. Currently an original single level cottage, enjoy the direct water view from your kitchen, living, and dining room. The potential is unmatched with a frontage of 15.355 meters this waterfront reserve offers uninterrupted water views. Providing direct access to the coastal walking tracks that flow from to Cronulla and Brighton Le Sands, this sought after location offers the lifestyle opportunity you've been waiting for. The last of its kind on the street, this property lends those with a creative eye the potential to build something special and set new standards. \*Agents Interest\*
