Beautiful water views draw you to this two bedroom home set in peaceful Deep Bay. The gently sloping block allows easy access across crown land to the rocky beach in the sheltered Bay while being only 7 minutes from the local township of Cygnet. The home offers a large open plan living space with the central wood heater keeping the home comfortable during the colder months. The kitchen overlooks the lovely water views, has an electric stove and oven, with ample bench and storage space. The two bedrooms have carpeted flooring for comfort and the master includes built-in-robos. The bathroom features a shower over bath, and basin - with toilet and laundry located separately. The yard includes open, easy-care lawns, as well as a small garden shed for outdoor storage needs. Pets may be considered on a case by case basis, but it is important to note the property is not fully fenced. The property is being offered with a twelve month lease initially. We look forward to showing you through this property and we encourage you to submit an application as soon as possible on our website or Ignite.
