Location, location, location...something that is reiterated in the real estate industry for a reason. Calling all first home buyers, downsizers and the perfect investment opportunity for any astute investor. With rent skyrocketing why not own your own apartment at an affordable price. As an investor, the potential rental return on investment will make your accountant be envious. Located on the most vibrant and popular road in Essendon, Keilor Road, where lifestyle, café dining, amenities and transport all meet. This luxury, northern aspect 2-bedroom 2 bathroom apartment is a rare find in this price range. Containing a large, covered balcony allowing you to entertain all year round. You can also use it as a second living area in the nice warmer months. Boasting plenty of natural light in both bedrooms and living area. This 2 bedroom apartment comes with a modern kitchen, with stainless steel appliances (including dishwasher), stone bench tops, glass splash back, and secured undercover car space/storage cage. Features also include heating, air conditioning and NBN. This location certainly represents the very best of inner-city living, within comfortable driving or walking distance to several prominent primary and high schools that the area is famous for; numerous cafes (including Hey Jude at your doorstep) and restaurants on both Keilor Road and Mount Alexander Road; plus direct freeway access facilitates quick transport to Melbourne CBD just 14km away (approx) or across town. At this price, this apartment will NOT last long so DON'T MISS OUT! Please contact Robert Mulovski on 0414 436 697 to organise an appointment to view the property.
