Welcome to 67/7 Forest AV Wakerley has been sold for a complex record for a non free standing townhouse. This was achieved through speaking to my current clients while this was in the stages of getting ready for market after the tenant moved out. We have beaten the previous record by \$25,000. If you would like to get a result like this please get in touch. For buyers I have another townhouse coming in this complex so register your details with me for an inspection once we are ready to start viewings. I look forward to hearing from you soon.
