This gorgeous property, situated in a very popular suburb handy to all amenities, is bursting with character features and offers an amazing opportunity for owner occupiers and investors alike. Welcome to 67 Blackstone Road Eastern Heights! From the street, the Spanish style façade lends a hacienda vibe and welcomes you inside where you'll find a touch of classic art deco combined with a hint of retro chic all blending together perfectly to create a unique and appealing home. Wrought iron balustrades wrap around the front porch and lead you up to the ornate front door and through to the entry with hardwood timber floors. From here, the lounge room to the left features high ornate ceilings, timber floors, deco style leadlight windows and decorative picture rails and leads through to a formal dining room perfectly located with easy access to the pre 1950's retro style kitchen complete with overhead cupboards, plenty of bench and storage space, upright electric stove, and a built in table with booth seating straight out of the classic retro diner era. Three good sized bedrooms are located separately to the living areas and have hardwood timber floors and high ornate ceilings. The main bedroom has art deco glass doors and windows, built in robe and an additional built in dressing table with drawers, shelves and mirror. These are serviced by the main bathroom which has shower over full bath, vanity and slate tiles. To the rear of the property is the laundry, separate toilet and a utility room which is just a fraction short of legal height but definitely large enough to be used as an office, home gym, games room or guest room. There is a covered patio overlooking the expansive fully fenced back yard that offers plenty of room for a shed or pool. Located close to transport and within walking distance to Silkstone Village Shopping centre with supermarket, specialty stores, coffee and takeaway shops and close to local public and private schools you will find everything you need close by. This unique property will no doubt be popular and will not stay on the market long. Make sure you don't miss out on your opportunity to make it yours!
