Prepare to dial your builder's number, as this original 3-bedroom family home, perched on one of Moorooka's highest points, is hitting the market for the first time in over 50 years. Owned by the same family since its construction, this property is set on a generous 612 square meter block with an impressive 18-meter frontage. The awe-inspiring North West aspect offers sweeping city views stretching from Mount Gravatt in the east to The Lockyer Valley in the west. Internally the house upstairs offers 3 bedrooms (all with wardrobes) original bathroom and kitchen. Downstairs features double lock up garage, second bathroom and spacious rumpas. Just a short stroll away, you'll discover family-friendly parks, Toohey Forest, local cafes, restaurants, and convenient bus transport providing easy access to nearby universities and schools.
