\$439,000

This quaint Cottage is nestled amongst the trees and is set on 5 acres of land fenced into multiple paddocks. The cottage has three bedrooms with an extra side room of the main suitable for a possible study or robe and one bathroom. The kitchen contains an old stove plus the modern convenience of a new oven and has a large walk in pantry. Lounge room plus a second sitting room/living space. Includes Solar Panels, low maintenance rear gardens, and huge modern workshop plus many smaller shed spaces on the property.
