This long held two bedroom clinker brick home could be yours, offering the potential, inspiration and opportunity that comes with a lavish 799m² (approx.) allotment. An increasingly rare opportunity for buyers with vision, this immediately comfortable home that features a spacious lounge, central retro kitchen with a walk-in pantry and sundrenched family living and dining with extensive glazing overlooking sizeable rear gardens stands ready for an exciting new chapter, inviting astute buyers to maximise the potential of its striking façade and premier location with an on-trend renovation, luxurious new home site or rewarding townhouse development, STCA. Stucco walls and steel window are hallmarks of the home postwar heritage, custom cabinetry has a mid-century bent, while bath and shower rooms, heating/cooling and a long side drive to double garage with a full width storage room or workshop complete this potential packed offering, enviably situated a short stroll to Macleod Village shopping and cafes, Macleod Station, parks and schools.
