\$55,000

When price is a major consideration in what you purchase, then this is the property for you. Located in the modern Eco Flora Estate only 6 minutes out of the township of Kalbarri, this is a perfect block to build your dream. This 680 sqm approximately block is situated at the back end of the Eco Flora Estate. With the possibilities of ocean views being obtained from a double story home this piece of land is a dream come true. There are no building time limits that apply to this land. For further information please call Michael or Amelia..
