This home represents the true meaning of a renovators delight. Whilst you can still comfortably live in this home, there is quite a bit of work to be done on renovation and re-stumping. The reward at the end is a very affordable home on a huge 1022m² parcel of land with an ample 20 metre frontage. If you need access to your back yard for a boat or caravan, this home will suit your needs perfectly. If you are a tradie or you are looking for a project this is the perfect choice. Add value with your renovation, landscaping and then you can even add a large shed and pool if you wish. Currently the home offers 5 bedrooms and two bathrooms. There is a large bedroom at the rear of the home with an ensuite and this would make a fantastic master bedroom. To reignite the character of the home you could remove one of the middle bedrooms to open back up into a spacious living area. The kitchen has ample storage and will be very functional for you until you decide what your future plan is for the property. At the rear of the home is the outdoor laundry area that is undercover, a huge rain water tank and the yard is a blank canvas with a good selection of fruit trees. From this very central location you are just a couple of minutes walk to the beach and the CBD while being located in a very quiet street. Don't miss this opportunity, call now to arrange your appointment.
