With a focus on elegant and modern design plus luxurious finishes, this residence offers an abundance of superior items and grandeur. Boasting a well-fitted and spacious kitchen with stainless steel appliances and sizeable storage options, the open plan living and dining is perfect for entertaining and offers practical living. The three total bedrooms are generously sized and located upstairs, master includes built-in robes and an ensuite bathroom whilst the remaining bedrooms are also fitted with built-in robes and are serviced by the central bathroom and quality fixtures. With a single-car garage, additional car space, separate laundry, and low-maintenance gardens, this property is an ideal purchase for first-home buyers and investors alike. With a location like no other, you will be only a few moments away from shopping facilities, freeway access, medical services, parks, and a train station.
