EOI | Closing 19th June at 5.00pm

Shut the front door behind you and step into a world where the daily grind fades away, replaced by calm and comfort. This stunning four bedroom, four bathroom home features distinct zones tailored for every family member: a private sanctuary for parents, a wing just for the kids, and a separate space ideal for guests, teenagers, or a discreet place to run your business from home. Offering privacy in spades, this property sprawls over a quarter acre block, where children and pets can run till their hearts content. Outdoor living is elevated with a sun-drenched, north-facing backyard ideal for swimming, and entertaining under the poolside cabana. For quieter moments, the sunroom offers a peaceful view of the backyard, becoming a sun-bathed sanctuary during the cooler months. Ready for your family feasts and entertaining, the chef's kitchen is a standout equipped with a secondary butler's kitchen, a five-burner gas cooktop, three NEFF ovens, and a warming drawer. Situated in a prime location, the home is just a short drive from schools, shopping centres, public transport, and Lake Macquarie, with the added convenience of being five minutes from John Hunter Hospital. Ideal for medical professionals and anyone seeking a blend of lifestyle and convenience, this home offers an exceptional living experience. - Perfectly placed bordering New Lambton Heights with 180 degree views out towards Lake Macquarie - Automatic gate, single garage with drive through access, extra parking for cars/boat - Huge main bedroom with AC, walk-in robe, luxe ensuite and office - Three robed bedrooms upstairs along with rumpus and main bathroom - Resort-style mineral water pool with cabana and attached bathroom - Keep bills in check with 23 solar panels feeding back to the grid - Garden is irrigated and self-sustaining (app controls watering at the back) - Zoned New Lambton Heights Infants, Wallsend South Public, Lambton High
