Welcome to 67 Marin Road Yenda, a comfortable rural dwelling only minutes drive to the Yenda village. This humble home will ideally suit those looking for long term rental stability in a rural setting. The property has all of the modern conveniences and is surprisingly generous in living spaces. -3 bedrooms-Large Living Area-Split system heating and cooling-Long term tenancy opportunity-Pets considered on application. When considering this property your discretion is advised to the suitability for safety requirements as the home is located near an operating fruit processing facility and machinery sheds. There is a requirement for seasonal operation of the processing sheds and applicants should be aware that there are moving vehicles and noise from this facility and general farm operations. More detail can be discussed by contacting the managing agent before submitting your application.
