Perfect for first time buyers, downsizers, small families, investors and occupying a prime position in the ever-popular Aston Estate, this brightly coloured three-bedder puts the focus on making everyday life easier. From a design angle, enjoy the home's open layout, quality finishes and abundant natural lighting. An elegant master suite boasts a walk-in robe and a pristine ensuite, while two additional bedrooms both come with built-in robes and share another ultra-modern bathroom, including a separate bath and shower and a separate toilet. Incredibly relaxing and intimate, the light and bright kitchen/living/dining zone feels upscaled and sophisticated yet down-to-earth. The fully equipped kitchen showcases smooth stone surfaces, clever cabinetry, premium appliances and a walk-in pantry. Set against a private backyard and landscaped gardens, sliding doors roll back to reveal an under-the-roofline alfresco that's ideal for quiet time or sharing with friends and family. Directly opposite green open spaces and moments from bicycle paths, walking trails, parkland and playgrounds, stroll to Elevation Secondary College and Aitken Hill Primary School. It's also a short commute to the Waterside Cafe and Craigieburn Central. Other highlights include a space-efficient laundry, heating and cooling as well as a single remote garage with rear yard access. Modern design excellence in a super-convenient location. Come home to the good life where luxury lives forever. **DISCLAIMER** The vendor, agent and agency in preparing this information have used our best endeavours to ensure that the information contained therein is true and accurate but accept no responsibility and disclaim all liability in respect of any errors, inaccuracies or misstatements contained herein.
