Step into renovated living and start enjoying your new life from day one in this beautifully presented family home. Light-filled with a single level layout that promotes easy entertaining and an easy flow from indoors to out, you will love the updated finishes that create this modernised and move in ready property. There are two living spaces, three bedrooms, two bathrooms, a stunning brand new quality kitchen with 90cm European appliances and soft close cabinetry, new paint, new flooring, new lighting, new blinds, and even more new to discover at every turn, plus ducted heating and reverse cycle air conditioning. Focused on family living and that desirable indoor-outdoor connection, the living space is perfectly arranged to join the covered entertaining area with electric vergola and the spacious backyard with new privacy fencing, new landscaped gardens with sandstone edges, a raised vegetable garden, water tank, and a large shed. Easy access through the remote double garage offers more space for gatherings or securely parking additional vehicles in the backyard. The North-facing backyard is large enough to add a separate studio unit to accommodate a home office or additional family members (STCA), or to simply give the kids and pets room to run around and play. In a quiet no-thru road, one house away from Arwon Court Reserve, walking distance to Gateway Reserve, Old Pound Reserve, and Lilydale Heights College, Mount Lilydale Mercy College, and a quick drive to the train station, shops, cafes, and other quality schools, this is a prime position for families to enjoy an easy new life in this renovated and easy to live in home. It's all easy from here – give us a call, inspect, and buy!SMS '67NELSON' to 0488 824 387 for more information.
