What a fantastic opportunity to secure a 4 bedroom home in the heart of Cockatoo! Walk to the mainstreet and all the Cockatoo amenities, including the recently built IGA. There is plenty of off street parking, and a double lock up garage at the front of the home. There's a welcoming entertaining area near the front door, and the home then opens to a front foyer. The floating floor boards invite you in, and there are then two bedrooms with built in wardrobes. An open lounge room with a cosy woodfire awaits, and then the home flows to a master bedroom with a built in wardrobe and a large walk in wardrobe that could potentially be a great ensuite space (STCA). The zoned living then has another bedroom located near the master that also has built in wardrobes, and there is a lovely study/home office area with a treed outlook. The kitchen and dining area are open plan and the charming kitchen has a woodfire, gas stove top, oven and dishwasher, as well as a walk in pantry/butlers pantry. The home then continues along to an updated laundry and bathroom, with the bathroom being luxurious with a bath, toilet and shower. This home also features gas ducted heating! Externally is a pony paddock with a pony shed that is awaiting your four legged friend! This property has it all so don't miss out - CALL TO ARRANGE A PRIVATE INSPECTION TODAY!
