\$60,000

This is the perfect opportunity for a mine shiftworker or contractor who needs a space to put his head down inbetween shifts. On this huge approx 1012m² block sits a large, powered two bay shed, as well as a carport / machinery shed. All you need is a tiny house (approx \$40,000 from Same Day Granny Flats) or put your bed in the shed. Another option is to make this block work for you - 2 Tiny houses can achieve an income of approx \$300-\$320 each - that is \$600 per week income on an approx \$140,000 investment. How can it not be good?Property Code: 1609
