Welcome to Figaro. This first time offered, 5 acre property, will tick all boxes of private and secluded living. But at the same time being nearby to both Milton and Ulladulla. The well appointed home offers 4 bedrooms and study, the main with en-suite and walk-in robe with a private lounge/ family room opposite. Large hallways lead to an open plan kitchen/ dining and lounge room. From here the expansive views to the escarpment are special. Some of the many features to this home include hardwood timber flooring, combustion fire place, reverse cycle air conditioning, high ceilings and a kitchen with a view that needs to be seen to be appreciated. Outside boasts an in ground pool with an under cover area and heat pump. The acres are well maintained with the numerous screening pines and gardens being outside features. This family home of 18 years since construction has many happy memories. Don't hesitate, call us today to inspect this truly special property.
