Nestled high on a hill, this spacious property spans a hectare of land, offering tranquility and captivating views. Boasting 4 bedrooms, a recently renovated kitchen and bathroom, and the added advantage of being built on steel stumps, ensuring termite-free living. With a 3 kW solar system in place, along with trickle feed town water and a septic system, this home is both environmentally conscious and self-sufficient. The property also includes convenient work sheds, All this within the sought-after suburb of Regency Downs. Enjoy the serenity away from bustling roads and uncover the boundless potential this property holds. Offering exceptional value for your investment, and with easy access to the Warrego Highway and Plainland shops and amenities, this is an opportunity not to be missed.
