A rare opportunity so close to the best of Broadford, this expansive allotment with sweeping outlook provides the perfect site on which to build your brand-new dream family home. Boasting a total land area in the vicinity of 794 square metres (approx), the block also features general residential zoning (GRZ1), an impressive 16-metre frontage and gentle elevation providing terrific scope to capture views all the way to the Clonbinane hills. Township proximity is also a huge upside here with High Street cafes, local shops and IGA supermarket all nearby (straight down Hamilton Street). It's also close to Broadford Station, Broadford Golf Club, Broadford Primary School and Broadford Secondary College, as well as easy access to the Hume Freeway.
