FAMILY COMES FIRST Finding the right fit for your family can prove to be a challenge, yet when presented with a residence of quality & comfort in design, backed up by a stellar location, you are sure to be impressed! Quality block-rendered construction completed in 2010 by a local reputable builder, a building to last the test of time. A smart four bedroom, two bathroom and multiple living space floor plan will accommodate the family with ease. Choice of a light-filled & airy family room or the alternative dark media room to lap up a movie marathon. The master suite is extremely generous in size, a full length walk-in robe as well as a large ensuite complete with twin basin vanity & double shower. The remaining bedrooms all with built-in cupboards and space for double or queen beds. The seamless flow from inside to the outdoors via the stacker doors will have you entertaining all year round. The backyard is ideal for the kids to run around, room for the organic veggie patch as well as side access for the double gates. An impressive all round residence, meticulously maintained and awaiting you to start creating memories!
