Positioned perfect, in a quiet Blue-Ribbon street in Carlton with charming street appeal this four bedroom home has been fully renovated to the highest standard and will leave you amazed. Boasting four generous bedrooms, the main featuring a front facing balcony, multiple expansive living and dining areas including a formal living room with fireplace and a study room. The open plan living and dining room flows effortlessly through a gourmet chefs' kitchen with quality stone benchtops, custom joinery, ample cupboard space and a tiled splashback, flowing out to a tranquil North facing private outdoor oasis. The backyard features a timber deck, low maintenance yard with tall trees and is drenched in sunlight. This home features two pristine bathrooms with quality tiles and fittings. Walking through the home you are embraced by a modern, stylish renovation that has intelligently incorporated a combination of stunning features such as:-
-Ornate Ceilings-
-Picture rails-
-Lead light glass entrance door-
-High grade European style, multi-functional, insulated, aluminium windows and doors throughout
This home is situated in the Carlton Public school catchment area and is within close proximity to selective schools, is approximately 700m to Carlton Train Station, approximately 1.3km to Hurstville Westfields and approximately 2.7km to St George Hospital and approximately 3.3km to St George TAFE. This home will truly impress, opportunities like this are rare to come by.
