PROPERTY: Infusing a sense of space and multiple living zones with a fully updated interior and side access, this palatial family abode is certain to capture your heart. From the moment you arrive the rendered facade sets the tone for a property that stands head and shoulders above the competition as the stunning streetscape combines tropical landscaping to compliment your new dream home. Step inside and be in awe as the home opens before you and walls of glass and light flood in. The scent of fresh carpets and paint gives you the sense of a brand new home but on a much larger block size and floor plan than the new homes. A massive front lounge or cinema room is ideal for the biggest of movie nights with space for a projector screen or 100" TV, you will be able to relax with the family over a box of pop corn and see your favourite film. Stroll past the angled feature wall with inset window and be impressed by the open plan family and dining area plus the sprawling chef's kitchen with enormous bench. Certainly the heart of the home, the luxurious kitchen melds natural tones and stone-colour inspired benchtops with a double pantry and walls of overhead cupboards to compliment the finest of chefs skills as you watch the kids either play in the huge yard or oversized family and rumpus room that can easily accommodate two spaces. The adjoining dining area allows for more formal dinners with friends, or allow the weekend lunches to spill into the grand alfresco area and large yard that can easily accommodate a game of soccer, a shimmering new pool or shed for your spare vehicles. **LIFESTYLE:** Joyner is the perfect lifestyle for family of every age.
