Surrounded by landscaped gardens (approx 741sqm) in a prized Oakhill neighbourhood, this grand Californian delivers an aspirational family lifestyle with its expansive double-storey design, premium inclusions and terrific living/entertaining spaces both inside and out. Beyond the imposing facade, discover an elegant interior boasting a large master bedroom with its own WIR and private ensuite, together with three further bedrooms (BIRs) and two additional bathrooms. Enhancing its family appeal is a home office/5BR with workstation, enormous upstairs rumpus with city skyline views, lounge/theatre room and spacious open living/dining area serviced by a stone-bench kitchen with island breakfast bar, custom cabinetry, double dishwasher and 900mm Ilve oven. Other stand-out features of this remarkable residence include ducted heating/refrigerated cooling, alarm system and CCTV, high ornate ceilings and solid timber floors, as well as double-glazed windows (extension), large modern laundry and excellent storage options throughout. Complementing the home's refined interior is a fabulous alfresco entertaining deck including BBQ kitchen with pizza oven, north-facing backyard oasis with full-tiled solar-heated mineral pool, self-contained studio/guest house with its own bathroom and kitchen facilities, plus a remote-control double garage via gated side driveway. GE Robinson Park around the corner along with High Street buses and Regent Station, it's also close to a range of schools (zoned to Preston PS) and shopping precincts, as well as easy access to Latrobe University.
