Situated only a block away from James L Boyd Reserve and the shores of the Lake, this humble two-bedroom home stands as a fantastic market entry or astute investment for those in the market. A tidy corner parcel in a great spot – we look forward to welcoming you through! The home – although compact in footprint – still retains a spacious, functional feel. From front to back through the main flow, there are multiple living areas – drenched in natural light – a functional kitchen, and direct access to your paved and covered area to the rear of the home. The eastern side of the house has two well-proportioned bedrooms, each with built-in robes, as well as a functional central bathroom with a bath. With room to modify, change and grow (STCA) this home really is a golden opportunity to create that low-maintenance lakeside home you have been dreaming about. Feature highlight:- Awesome location, only a block to the Lake and walking distance to all of Swansea's amenities - Two-bedroom, one-bath home with lots of natural light, and polished floors throughout too- Great corner block With vendors committed to selling and a product that is this good – you won't want to wait around here! _____ Marketing disclaimer: Whilst every care has been taken in collecting and producing the above information, no warranty is given or implied as to the accuracy.
