Centrally located in the heart of Padbury this original, neat four bedroom family home may just be what you have been looking for! Situated on a generous 704sqm lot within a short distance to Padbury shops and Medical, schools, bus stops, Whitfords or Greenwood train stations, Craigie Leisure centre & Westfield Whitfords shopping centre this really is a prime opportunity to secure your future. The home itself is in need of some updating but has great bones and a functional flowing floor plan. It is ripe with the opportunity for you to place your own stamp and create a home for the ages. The elevated property features four bedrooms and one bathroom, which acts as a semi ensuite to the master bedroom. The master bedroom has built in robes whilst the three minor rooms are all generously proportioned. There is a large lounge room and dining area along with a living area off the kitchen. Outdoors you will find a patio entertaining area and two large storage sheds. There is a single carport along with enough side access to park extra vehicles and have a "drive through" access to the rear.
