Sitting on the high side of the street in East Innisfail and high up on the hill this great old Queenslander presents in very good condition. Currently tenanted with a lease expiring early next year to an immaculate long-term tenant who really looks after the place. The house sits on Concrete piers and has parking and some storage under. The walls are classic hardwood weatherboards, and the floor is all lovely hardwood throughout. The kitchen has had a modern facelift and whilst the bathroom is original it is all fully serviceable. The bedrooms are decent sizes and there is air conditioning. Two living rooms are perfect for the family. Sitting on a good sized 1009 sqm block, just over ¼ acre means room for the kids to play and to grow a few veggies or have some chickens. Overall, this is a very good home for the money and has a very nice feel about it. Contact Michael Skuse
