Welcome to this stunning double-story split-level masterpiece nestled on a generous 747 sqm parcel. Step inside and be captivated by the spacious open-plan layout, starting with the separate study that leads to the inviting lounge and dining area, seamlessly connected to the kitchen-a chef's delight featuring a walk-in pantry, ample storage, and bench space, equipped with gas cooktop and a dishwasher for modern convenience. Ascend the stairs to discover three generously sized bedrooms, each adorned with carpeted flooring for comfort and boasting built-in robes. These bedrooms are complemented by a second living zone, a separate study, and a master bathroom complete with a bathtub and a separate toilet. Venture to the lower level to find the secluded master bedroom offering walk-in robe and a private ensuite. This level also features a third living zone or parents' retreat, enhanced by an adjoining open bar area-perfect for relaxation and entertainment. Outdoor entertaining is effortless with the undercover decked alfresco area overlooking the spectacular inground swimming pool and spa equipped with gas heating, finished with glass fencing to ensure uninterrupted views. Adjacent to the pool, an additional undercover entertaining area awaits, ideal for hosting gatherings in style. Practicality is key with this home, as evidenced by the large under house storage area and a double lock-up garage featuring a workshop space and a third toilet conveniently located in the laundry. Plus the convenience of ducted air conditioning and ceiling fans to the bedrooms. With its thoughtful design, spacious interiors, and excellent outdoor amenities, this property offers a lifestyle of comfort and luxury. Don't miss the opportunity to make this your dream home-schedule your inspection today.
