This masterfully crafted entertainer showcases an unparalleled level of designer living, where every detail, every design element, and every facet of life's finest pleasures come together to create a truly magnificent family haven. An imposing facade stands sentinel over the popular Moffat Park, preceding an interior with rich timber floors, soaring high ceilings, and floor-to-ceiling sheer curtains dancing with the natural light. Living extends outwards to a covered terrace with a BBQ kitchenette and wood-fired pizza oven, working with the two-pack kitchen's detailed joinery and quality elements, emphasising a sense of refinement that transcends convention. Its leisure focus dictates its separated accommodation, placing its four bedrooms and a third living space on the upper floor, including the main with a private park-facing balcony, walk-through dressing room and Hollywood-style ensuite. No detail has been spared in ensuring a life beyond all else, including elements such as motorised alfresco blinds, a permit for an inground pool, refrigerated heating and cooling, a storage shed, solar power, an intercom system, a double garage, and an alarm system. More than a home, this sanctuary haven of luxurious beauty rests in an esteemed Carlingford setting, finding its ultimate expression near St Catherines and Lalor Gardens primary schools, an array of beautiful parklands, Thomastown Secondary, Pacific Epping, public transport, and easy M80/Hume Freeway access.
