For the first time in 43 years, we welcome to the market 68 Mount View Road, Boronia. Situated on 1124m² of flat land in prime position, an original 1970s beauty. From the road you are greeted with the sturdy, chocolate brick home. With a wide frontage and concrete drive, lending plenty of off-street parking into the double sized colorbond garage, perfect for tradies or caravan & boat storage alike. Inside, you'll find three bedrooms, a living room, kitchen/dining and main bathroom, complemented with polished hard wood floors. The main bedroom has double robe and overlooks the front porch with a lovely tree top outlook. Two further bedrooms complete the sleeping zones, one with single built in robe, all having great access to the main bathroom. The living room is so cosy with shiplap wall paneling and freestanding wood heater, leading directly into the dining room and kitchen. The kitchen is in fantastic condition, with veneer timber cabinetry, gas stove/oven and skylight, overlooking the undercover alfresco. The bathroom has been updated with a new vanity and shower screen, there is a built-in bath, perfect for kids or added relaxation. Outside you'll find an elevated front decking, undercover pergola running the length of the house and pure, grass' d goodness. The back yard is a real treat! With established trees and fully fenced- pets and kids can run wild! Call Josh or Holee today for your inspection. Proudly Marketed By Harcourts Boronia. Photo ID Required At Inspections.
