## **\$650 per week**

This 2 bedroom, 1 bathroom brick clinker home overflows with a variety of appealing options. There is no doubting the allure of this property for developers who will be excited at the prospect of turning this original home into a new family oasis or multiple townhouses/units (STCA). The layout of the current dwelling will also be exciting for investors, with the floorplan extended at the rear giving you a self-contained living area with its own kitchen, bedroom, bathroom, and entry for an added rental income stream. The main home could also be rejuvenated, and boasts spacious living which has double door entry to a large dining room, functional kitchen with plenty of space, huge main bedroom with dual built-in robes, 2nd bedroom with BIR, bathroom with separate toilet, well-sized back garden, and single garage. Not far from Blackburn Station Village, Box Hill Central, Blackburn Square shops, Blackburn High School, Blackburn Primary School, Cootamundra Walk, Koonung Reserve, Blackburn Lake Sanctuary, buss, and freeway.
