\$270,000

The opportunity to secure your own 2 hectare building site with exceptional views, bitumen road frontage and a great location 7km from Tenterfield, is now available. The property is fully fenced with Waratah long life ringlock netting, all gal corner assemblies, a double gateway for easy access and has a small dam in the north-eastern corner. The lay of the land makes for minimal earthworks for building, and power runs across the eastern end of the property. As the name of this property "Allview" indicates, the exceptional views take in Doctor's Nose to the south, open grazing and granite country to the east and mountain ranges and National Parks to the north. With access to 2 school bus runs, why not become a part of the vibrant Sunnyside community with the nearby historic hall being home to a local car club, RFS station and host to many events throughout the year.
