Owner built and meticulously maintained, this is a great opportunity for a couple or family wanting a beach home on a well located block, close to the beach with all the lifestyle has to offer. A fabulous design for friends and family to gather. The indoor/outdoor living area faces north onto the pool area, providing light, good air-flow and protection from the southerly weather. The well designed floor-plan is flexible to accommodate four bedrooms or three with studio with separate access - perfect for an office or work studio or long term guests. For investors too, this home would be a low maintenance property with good long term growth in our opinion. Our area is in high demand for the superb lifestyle it offers. Features You'll love: * Working Fireplace* Short, flat walk to the beach and walk/bike pathways* Excellent modern amenities and medical facilities nearby including the new Tweed Hospital under construction in Kingscliff* 15 min to GC Airport* 40 min to Byron Bay and the wonderful hinterland
