This near new 2 bedroom home is positioned on a peaceful no-through road in rural Castlereagh. With a relaxing front verandah and rear sundeck to enjoy, the home boasts a large fully fenced yard with ample open parking, and has a Tesla solar energy system for budget friendly utilities. Inside is light filled, with screens and blinds, plus a split system reverse cycle ac. It has a living room for lounge and dining, plus near new kitchen with electric appliances including dishwasher. Both bedrooms are well sized with glass built ins, and the main bathroom is combined with laundry for convenience. Long term leases are preferred and we note this home is in dual occupancy with the landlord- though totally separate in yard and design- like a neighbouring home. Water and yard care inclusive. Note: Pets will not be considered for this property unless they are the feathered kind.
