Unit 69 is a charming ground-level, 1-bedroom apartment, centrally positioned within James Ommaney Retirement Community. This refurbished unit offers a neutral colour palette, open plan living space, modern kitchenette, and large bathroom. The bedroom is very spacious with built-in robe and lots of natural light, with doors opening out onto your very own courtyard. The courtyard is perfect for entertaining friends or neighbours, overlooking greenspace and offering a serene ambience. This unit is a comfortable size and ideal for taking advantage of the abundant activities and facilities of James Ommaney Retirement Community. Our community features an in-ground swimming pool, spa, and gym, plus a full Activities Program for you to take part in as little, or as much as you desire. Join our friendly community of like-minded people and make new friends while enjoying the convenience of home and garden maintenance to ensure a worry-free lifestyle. The community is ideally positioned to enjoy the convenience of Mt Ommaney Shopping Centre, Jindalee Golf Course and Jindalee Bowls Club with other professional services just walking distance away. James Ommaney has a community bus for residents' use, travelling to the shopping centre twice a week, we are also within walking distance to public transport. We are also Co-located with TriCare Jindalee Aged Care Residence which is ideal for couples needing differing types of care. If you are looking to down-size or simply looking for a change of lifestyle in your retirement, we invite you for a tour of our beautiful community and inspection of this bright, modern 1 Bedroom Apartment.
