A breathtaking fusion of classic details and designer flair are displayed throughout this captivating three bedroom, three bathroom period beauty, with a privately entered studio/home office or fourth bedroom, nestled within a beautiful garden backdrop on a corner block. Exquisite Art Deco flourishes, such as leadlight, high ceilings with ornate ceiling panels, cornicing and picture rails, highlight living, dining zones featuring open fireplace and banquette seating with storage below. Alongside, radiant Miele kitchen with stainless steel counters, breakfast nook and beautiful tiled feature wall. Master with ensuite overlooks a backyard garden oasis. Further bedrooms enjoy vibrant modern bathroom, European laundry. Hydronic heating and ducted cooling provide for optimum comfort in any season. Plantation shutters, custom-built robes/storage, timber floors, coveted OSP from Dartford Street and proximity to Flemington's fabulous array of restaurants, cafés, shops, schools, parks, and public transport options add to the allure. In addition to all of this are council approved plans for an upper level extension, including master suite and family retreat, artfully designed to embrace majestic plane tree streetscapes and magnificent treetop canopies.
