Nestled in the heart of popular Portsea on a private little slip road corner close to the Village, a stroll to both front and back beaches, this original gem has been tightly held in the same loving family since they were fortunate to build their cherished seaside retirement cottage in the 1950's. Step inside to an era of simplicity and warmth, a nostalgic charm that harks back to a bygone era. With a touch of imagination, there's an opportunity to preserve the vintage character while infusing contemporary elements. This prime allotment is framed by established native trees and provides delightful, sunny garden spaces. The coastal lifestyle is further enhanced by its proximity to picturesque Percy Cerutti oval and tennis courts, offering recreational bliss for active enthusiasts or, social dog lovers. Enjoy the very best at the pointy end of the Mornington Peninsula, with easy access to: • Point Nepean National Park • Portsea Hotel • Village Cafes • Portsea Pier • North facing Fishermans Beach • Portsea Surf Lifesaving Club • Ocean beaches • Portsea Golf Club
