Expressions Of Interest

Expressions of Interest closing on Sunday 9th June 2024. Escape to the tranquillity of riverside living in this unique four bedroom, two bathroom log cabin, perfectly positioned on the picturesque banks of the Murray River. Indulge in the ultimate waterfront lifestyle with your own private jetty, beckoning you to embark on fishing expeditions, leisurely boat rides, or simply unwind while savouring the breathtaking river vistas and glorious sunsets. The sprawling 1619 square metre block provides ample space for outdoor activities, gardening, or even exploring the exciting possibility of future subdivision, subject to council approval. Step inside this rustic haven, where exposed beams and warm wood tones create an inviting ambiance throughout. The upstairs open-plan living and dining area, complete with a crackling fireplace, sets the scene for cozy gatherings with family and friends. The tidy kitchen sits upstairs, offering ample counter space and storage, catering to both casual meals and gourmet feasts with the family. Treetop views on one side, and endless river views on the other, what more could you ask for!. Four generously proportioned bedrooms are split over the two levels, each offering a peaceful retreat with serene views of nature. A bathroom on each floor (two W/Cs upstairs), offers convenience at all times. Outside, the sprawling grounds invite you to embrace the serenity of nature. Enjoy dining and entertaining outdoors on either level overlooking the river, or simply unwind in the shade of the well established trees. The original shack still stands as part of this property, offering plenty of storage options, with enough room for a vehicle if needed. On the river side, you have access to your own refurbished private jetty, which will lead you through the extensive waterways on offer. Conveniently located within easy reach of fantastic local schools, shops (IGA, chemist, cafes) and waterside restaurants, this riverside sanctuary offers the perfect balance of seclusion and convenience. Immerse yourself in the Murray region's natural beauty, with abundant opportunities for walking, cycling, boating, birdwatching and everything in between. This remarkable property presents an exceptional opportunity for those seeking a permanent residence, a weekend retreat, or a savvy investment with the potential for future development.
