It is situated in a highly desired location. The house has been updated with quality finishes. Designed with the entertainment in mind, it offers two living areas, a modern open plan kitchen with meals area and four generously sized bedrooms. The external attributes include a large modern entertainment area with polished wood flooring, an integrated BBQ and a countertop with a server window that connects to the spacious teenage retreat. The location is exceptional, with walking distance to quality schools, city buses, parks, and a short drive to Winston Hills Mall and the M2.- Spacious and sun-filled open-plan family and meals area with contemporary plantation shutters.- Renovated kitchen with stone benchtops, breakfast island, ample storage space, and modern fixtures.- Four generously sized bedrooms.- Internal laundry with countertop and storage.- Teenage retreat with direct access to the entertainment area- Neatly presented exterior with a manicured front lawn.- Lavish entertainment area with a built-in barbecue and modern wood countertops.- Manicured backyard with large hedges for privacy and an outdoor shed.
