Invest in a central corner address and late period grace. This three bedroom Art Deco original beauty on an approx 431 sqm corner block, retains all its original period detail and all its great original proportions with just the right amount of land! Curvaceously spacious with a sweeping circular portico and tapestry brick detail, the home opens wide to offer a generous lounge, a large separate dining room and wide robe fitted main bedrooms. Featuring a super sized skylit kitchen with stainless steel appliances and a stylish fully tiled bathroom, this grand plan is optioned up with ducted heating and cooling, and a Bosch alarm. Combining yesterday's beauty with today's relaxed living, there's even potential for the future with scope to update further. Open up wider and step out to a paved north westerly courtyard with two car parking including a carport/al fresco area. Corner sited just one door from Halley park and a few minutes walk to the rail and retail precinct, this divine Deco style will suit the first home owner, down sizer or lifestyle investor.
