Nestled in a picturesque green neighbourhood, this exceptional 4 bedroom family home invites you in with its tastefully modernized interior. The soothing colour palette complements the highly efficient layout, featuring a luxurious lounge and dining room, enhanced by the warmth of an open fireplace, that opens up to a secluded courtyard and deck. Inside, a striking American Oak kitchen with leadlight accents overlooks the meals/family area and offers ample storage and workspace. It boasts granite benches, top-notch Miele appliances, a dishwasher, and a ceramic cooktop. The bedrooms are generously sized, complete with built-in robes, and are served by a pristine family bathroom with a separate toilet. The master bedroom, positioned for privacy, is generously spacious and features walk-through-ropes leading to an ensuite. But that's not all this remarkable home has to offer. Castlemaine Slate steps lead you up to a tropical oasis, boasting a salt-chlorinated in-ground pool and spa, surrounded by lush plantations, catering to both recreation and aesthetics. A gate provides exclusive access to a nearby reserve and an adjacent kindergarten. Packed with attractive features, this gorgeous home includes a laundry with custom-built slide-out cabinetry, evaporative cooling, ducted heating, downlights, and ample under-house storage.
