A marvellous opportunity has arisen to lease this gorgeous semi-detached Victorian home. Boasting generous original proportions and ROW access, it has been reimagined for contemporary living with a deluxe extension. This comfortable residence is perfectly located strolling distance to the heart of cosmopolitan Lygon Street, plus vibrant Brunswick Street, CBD trams, Melbourne University and excellent schools. Graced with a charming tessellated verandah, the double brick faade reveals two bedrooms with built-in robes, a good sized third bedroom (or optional study), and sparkling updated bathroom. Set beneath cathedral ceilings at the back is a spacious light filled living and dining area, and smart integrated kitchen with quality stainless steel appliances (oven, gas cooktop, dishwasher). Beyond bi-fold glass doors is a fantastic new deck, which provides a quiet spot to relax or entertain. This property features a European laundry, split system a/c, high ceilings and polished timber floors.
