This is an amazing property that has a lot to offer. Set on over 1000m² of land, there is room here for a fantastic yard or further development subject to the relevant approvals. Not only is the land size tremendous, so is the panoramic views over Bellerive to the River Derwent and beyond. A magical position. The property itself is substantial and provides optimal space for the growing family. There are two large living areas, four bedrooms and three other rooms to be used as you wish. Two bathrooms already exist, separate laundry and walk-in pantry. The home is functional and liveable, ready for you to move into yet you could certainly continue to add value through refurbishment or renovation. With off-street parking and under-house storage and workshop space this is definitely a property that will tick many of your boxes. Let us show you this delightful home and your future outlook today!
