Expertly crafted to encapsulate a strong sense of contemporary easy living, this dazzling three bedroom, two bathroom double-storey residence reflects the perfect balance of intelligent functionality and opulent style. Blending a delightful colour palette, matte gold finishes and designer textures to create a bespoke finish that leaves the most discerning of buyers feeling impressed. The versatile, north-facing backyard is pristinely landscaped and includes a paved entertainer's area, plus rainwater tank. Carpeted bedrooms fitted with sizeable robes are serviced by an opulent central bathroom complemented by Terrazzo tiling and the master accommodation enjoys a chic ensuite. Further adding to the appeal, zoned heat/cooling, internal laundry with adjoining storage, two-way r/c garage comprising indoor/outdoor access, plus extra off-street-parking complete the package. Enviably positioned walking distance to Melville Rd's CBD trams, it's also surrounded by local cafes, schools, Gilpin Park and quick access to the university precinct.
