Using the finest elements of contemporary design, this stunning four bedroom plus study nook three bathroom family town residence covers all bases in low maintenance excellence. An ideal layout that effectively gives you a luxe main bedroom suite on each level, this leading design encompasses an impressive entry foyer that wraps into the north facing study area, double sliding doors to the 'must have' downstairs suite with walk in robe and vogue dual vanity ensuite, a well equipped laundry, powder room and a fabulous open plan living and dining area with a sumptuous porcelain kitchen featuring Miele appliances and a walk in pantry with integrated microwave. The kids could have upstairs all to themselves or you could utilize the brilliant main suite with its walk in robe and swish ensuite for yourself, while there's a generous retreat, two well proportioned bedrooms (walk in robe/built in robes) and a beautiful bathroom with powder room to keep everyone happy. You could entertain on the elevated deck with retractable pergola or just let the kids loose on the lawn within the safe confines of the landscaped rear garden. This impeccably presented home is finished with European Oak floors, designer black tapware, double blinds, zoned ducted heating/refrigerated cooling, an alarm, video intercom, instant hot water, a garden shed and an auto garage with driveway parking. Just around the corner from Waratah Street Reserve and buses to the station and Chadstone, a light stroll to Mackie Road's collection of shops and eateries, sporting facilities at Mackie Road Reserve and the zoned Hughesdale Primary School, while moments to a world class choice of golf courses.
