Sleekly curving walls, soaring ceilings, prime proportions and impeccable fixtures ensure this brand new three bedroom, two bathroom entertainer shines. Beginning with a versatile lounge or study, the sophisticated home sweeps past restful bedrooms to a stunning kitchen, dining and family domain. Flaunting 900mm appliances, waterfall stone and excellent storage, culminating in a walk-in pantry, this beautifully lit space flows through slide apart doors to a sizeable deck in a north-facing rear courtyard. A sparkling ensuite and magazine worthy main bathroom, with luxurious freestanding bath, underscore consistent dedication to quality. Single storey convenience, heating/air conditioning, double glazing, security features, an individual driveway and direct entry garage round out major features. In an appealing cul-de-sac position near schools, it's only a stroll to transport, parks and local shops.
