Perfectly positioned in the very epicentre of Airport West, this brand-new home by Lume Projects is set to impress with its adaptable single-level design and high-end inclusions throughout. Sure to exceed all expectations, the refined interior boasts a master bedroom with fitted WIR and deluxe ensuite (double vanity and double shower), along with two additional bedrooms (BIRs) and main central bathroom with freestanding tub. Add to this a dedicated study alcove and light-filled open living/dining area adjoined by a quality kitchen complete with walk-in pantry, fridge waterpoint, five cooking appliances (900mm) and integrated dishwasher. Ducted heating/refrigerated cooling, high square-set ceilings, premium carpets and engineered timber floors all add to the allure, along with an alarm system, floor-to-ceiling tiles (laundry and both bathrooms) and stone benchtops throughout. Sliding doors open out to an entertaining deck (composite) and sunny north-facing backyard with high fences for privacy, plus an internally-accessed garage (remote-control) and additional driveway parking. A short stroll to local buses, parks, McNamara Avenue cafes and shops, it's also close to popular schools and kinder/childcare facilities, as well as easy access to Matthews Avenue trams, Westfield Shopping Centre and a choice of freeways.
